MODULAR CARPET

The Energy
of Modern
Art

The Energy of Art

Domino and Layer Carpet Tile collections were designed from **the inspiration of modern and abstract art**. The colorful while subtle accent colours reflect the beauty and movements we can see in the paintings of the 20th century. The subtle touch of colours is applied on neutral base carpet in a movement that reminds us the **movement of the brush on the paintings**. The fresh and modern colours provide a positive energy and visually enrich the space where the carpet is installed. The high and low loops of the carpet remind us the texture and thickness of the paint on the painting.

The Power of Nature

Borrowing from natural elements, Domino and Layer provide **a very natural feeling and biophilic elements into the workplace**.

Domino introduces a subtle **wash of colour to its neutral foundation**, while its partner Layer, features **organic brush stroke patterns**. Blended seamlessly, mixing hues and textures, they remind us the transitions visible in the natural world.

These energetic designs with colorful accents give us the opportunity to visually enrich the space and provide positive energy to our environment!

Design creative and modern interiors with Domino & Layer collections!

Domino and Layer collections are composed of **three patterns that have been designed to work seamlessly together.**

- **The light pattern** is the best option to brighten the space and **highlight the furniture.**
- **The accent pattern** enables to integrate **fresh and muted touches of colours** into the space, for a very modern design. When ordered in plank format, **one set of Domino and Layer Accent pattern includes 1 plank with accent and 1 plank without accent.**
- **The darker pattern** is more contrasted. It will **bring variations into the design of larger areas.** It is also a great option for high traffic areas, where the maintenance will be easier.

The color palette of the three patterns is comprised of **six neutral base colour groups** shared among the two collections, to enable better transitions among the patterns, which is **ideal for large open spaces!**

PRODUCT SPECIFICATION SHEET

Face Construction	Metric	Imperial	Procedure
Construction	Patterned Loop		
Fiber System	100% Nylon		
Dye Method	Solution Dyed		
Gauge	50.4 rows/10cm	1/13	
Stitches per inch	31.0 stitches/10cm	7.9 stitches/inch	ASTM D-418
Pile Height Average	3.8 mm	0.150 inch	ASTM D-418
Density Factor	177.6 kg/m ³	4,800 oz/yd ³	ASTM D-418

Product Testing Information

Indoor Air Quality All Tandus Flooring products comply with CRI Green Label Plus Standards
ID: #GLP5288.
Passes GB 18587-2001

Surface Flammability	Passes CPSC FF 1-70	ASTM D-2859
Flooring Radiant Panel	Class I (Mean average CRF: 0.45 watts/cm ² or higher)	ASTM E-648
Electrostatic Propensity	3.0 kV or lower	AATCC 134
Colourfastness to Light	≥ 4 after 100 hours	AATCC 16E

Backing System

Standard Backing	Tandus ECOPLY™ PVC Backing
Backing Customization Option	Tandus ECOBOND™ PVC Backing / EcoBase Backing (non-PVC)
Recycled Content	Tandus ECOBOND™ contains a minimum of 35% overall recycled content
Recycling	Recycling 100% recyclable when recovered
Standard Product Size	250 mm x 1000 mm; 500mm x 500mm
Packaging	For Tiles 500x500mm, 1 box (4sqm) includes 16 tiles of each pattern (for accent pattern, all tiles come with accent). For Planks 250x1000 mm, 1 box (4sqm) includes 16 planks of each pattern (for accent pattern, 8 planks come with accent and 8 planks come without accent, as one set includes 1 plank with accent and 1 plank without accent)

Product Notes

- Product specifications are derived from averages resulting from normal manufacturing tolerances in yarn, fiber, temperature, humidity and colour. Product specifications may vary within normal industry and standardised testing tolerances.
- These specifications reflect mean averages based upon tests of production runs of this carpet style by independent laboratories. A range of variances is implicit in the testing process. Furthermore, the standard test methods established to derive the specifications lack a degree of precision and repeatability; therefore, individual test results on the actual carpet purchased may differ from the specifications above.
- Colours may vary slightly from dye lot to dye lot.
- Backing or other materials may be changed without prior notice when shortages occur or when technological advancements become available which provide for improvement of the product's performance.
- All Tandus Flooring products are 100% recyclable.
